

Jacob's Family

Match the English name with it's Hebrew name.

Hebrew is written left to right and it doesn't have all of the letters that we have. It especially doesn't put in all of the vowels.

But you can read sentences that are missing vowels! And so could they.

(Note: I did simplify this some, in case any Hebrew scholars object.)

NULVZ זבלונ Zebulun

- _____ גר _____
- _____ ראובן _____
- _____ לוי _____
- _____ בנימין _____
- _____ זלפה _____

Hebrew Code:

A = א

B = ב

D = ד

F = פ

G = ג

H = ה

K = ק, ח, כ

L = ל

M = מ

N = נ

O = ו

P = פ

R = ר

S = ש or ס

Sh = ש

T = ת

U or Oo = ו

V = ב or ו

Y = י

Z = ז

Others:

Extra letter = ע

Write your own name! Remember it needs to be backwards, so write your letters out backwards underneath the lines and then put the Hebrew above it.
