

# MOSES: BABY IN A BASKET AND BURNING BUSH, a mad lib

Long ago there was a man named \_\_\_\_\_ who had a son named \_\_\_\_\_  
(a word starting with a long A sound) (a word starting with a long I sound)

who had a son named \_\_\_\_\_ who had \_\_\_\_\_ sons.  
(a word starting with J plus a long A sound) (a number)

Well, after some crazy and complicated things happened, the family ended up in \_\_\_\_\_  
(a country)

for a long time. So long that this family became a nation and the nation became slaves.

They had to work VERY hard making \_\_\_\_\_ and building \_\_\_\_\_.  
(something rectangle-shaped) (something huge)

Eventually this nation, the Hebrews, got tired of being slaves and began to \_\_\_\_\_ to God.  
(a verb)

And God listened to them.

The mean people where they lived had told them to throw their baby boys into the \_\_\_\_\_.  
(something wet)

But one mom, who had a very \_\_\_\_\_ baby boy, put him in a \_\_\_\_\_ instead.  
(an adjective) (something that starts with B)

A princess who was \_\_\_\_\_ found the baby, who was \_\_\_\_\_.  
(verb + ing) (another verb + ing)

She felt sorry for the baby. She decided to raise him in the \_\_\_\_\_ and named him Moses.  
(a fancy building)

But when he grew up, Moses found out that his family was having to work as slaves, so he ran away

to the land of \_\_\_\_\_, where he got married and took care of \_\_\_\_\_.  
(something that starts with M) (a kind of animal, plural)

One day, while Moses was watching his animals, he saw something that was very \_\_\_\_\_!  
(adjective)

There was a \_\_\_\_\_ on fire, but it wasn't burning up! God was in the fire,  
(a kind of plant)

and he told Moses to go save the Hebrews from slavery and take them to \_\_\_\_\_.  
(a place with yummy food)

At first Moses was afraid, but God gave him the power to turn his staff into a \_\_\_\_\_.  
(scary animal)

and told him that Moses' \_\_\_\_\_, Aaron, would help \_\_\_\_\_ for him.  
(a noun) (a verb)

Then Moses agreed to do what God had asked and went back to his people to save them from \_\_\_\_\_.  
(something bad or scary)
