What Moses and Aaron threw in the air to start plague 6:										
What the people got on them in plague 6:										
Then these people couldn't even stand before Pharaoh:										
Then God sent the worst Egypt had ever had										
But it didn't affect these people: the										
What Moses did to stop this plague:										
Some of them believed Moses and some stayed stubborn:										
So God sent a plague of these ins	sects	5:								
Moses said that both the and the needed										
to go out into the desert with them.										
The insects ate everything	•
