

The  
story  
of  
**NAAMAN**  
2 Kings 5

Naaman is a soldier. He is sad because he is sick with leprosy.

His servant girl tells him to go see the prophet Elisha.

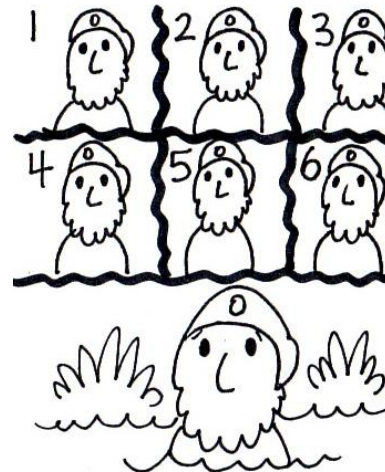

Elisha's helper says, "Go wash 7 times in the Jordan River."

Naaman is angry. He doesn't want to go wash in a dirty river!

But Naaman obeys.  
He washes  
1, 2, 3, 4, 5, 6...  
7 times.  
He is healed!

Blessed are those who hear the word of God and obey it.
