Jesus is the LIGHT of the world.
(John 8:12)

Print on yellow paper if you have it. Otherwise, white is fine.
Color both circles (just top side) and cut out.
Color the strips on the other page (unless printed on yellow paper) and cut out. If you color both sides, it will look even nicer.
Bend strips in half (without creasing them) and staple to the uncolored side of the blank circle.
Glue (or staple) verse circle on top to hold it all together.
