

REVERSALS

Lots of people think it's best to be important and rich and famous and GREAT, but Jesus said that being humble like a child and serving people and helping other people be great are what is really important.

That's what a reversal is – something that is reversed or the opposite of what you would expect it to be. And that's what Jesus was – he was God, but he born as a baby in a barn and died in a very embarrassing and horrible way. He was Lord, but he became a servant and showed us how we should live.

Use the key on the back to complete some of the things that Jesus said about who is most important to God and who will get to be in the kingdom of God.
