

TIMELINE SCRIPT

(The shortest way I do it with the kids. Dots are where I pause for them to answer.)

The first thing that happened was....God created the world!

Then we had Adam and Eve in the...Garden of Eden.

Next...Noah's ark.

Then A...braham, I...saac, and J...acob. And they worshipped God using...altars.

Jacob had 12....sons, including....Joseph with the fancy coat.

The people ended up down in.....slavery in.....Egypt.

Then God sent.....Moses to rescue them!

They worshipped God in a tent called the.....tabernacle.

God led them with a cloud by day and fire by night.

They wandered for 40 years and then finally got to go to the.....Promised Land.

There God gave them leaders. He gave them.....judges and.....kings.

And one of the kings built the.....temple!

And God sent his messages through the.....prophets.

Some of the kings were good and worshipped God, but most were bad and worshipped.....idols.

So God sent them into timeout in.....Babylon.

There they started doing better and we have.....Daniel and the lions and brave queen.....Esther.

After awhile they got to go back to the.....Promised Land and build a new.....temple.

But it wasn't as nice as the first one.

And then there were no.....prophets/messages for.....400 years. Until.....

Jesus was born!

He.....taught and did.....miracles. He had 12.....disciples.

Jesus.....died, and.....was resurrected and....a...went up to heaven.

Then God sent the.....Holy Spirit so they'd know what to do.

Here are.....Peter and Paul.

They told everyone about God. The people worshipped God in.....churches.

And they sent.....letters that are in our Bible today.

The question mark is where we are now, because we don't know when.....Jesus will come back.

Then we'll get to live in.....heaven and worship God there!
